

WC-ARES SKYWARN WEATHER NET SCRIPT

DATE: _____ **TIME:** _____

The National Weather Service has just issued a:

<input type="checkbox"/> FLASH FLOOD WARNING	<input type="checkbox"/> SEVERE THUNDERSTORM WARNING
<input type="checkbox"/> TORNADO WARNING	<input type="checkbox"/> HIGH WIND WARNING
<input type="checkbox"/> WINTER STORM WARNING	<input type="checkbox"/> FREEZE WARNING
<input type="checkbox"/> RED FLAG WARNING	<input type="checkbox"/> OTHER

for (SE, Central, SW, etc.) Williamson County until _____ O'Clock. The purpose of this net is to assist with observations of actual severe weather conditions which I will relay to the National Weather Service. **IMPORTANT:** Be aware of your surroundings and do not put yourself in a dangerous situation - safety first always.

This is (call sign) and my name is _____. I am located in (city, state). I will be net control for this SKYWARN WEATHER NET. This is a directed net. I will be taking check-ins **only** if you have severe weather to report. Keep your reports short and to the point. Give me your call sign using standard ITU phonetics and your street and cross street location. Pause between transmissions to allow for emergency traffic.

Do I have a backup net control operator on the air? _____
acknowledge backup.

Examples of conditions sought for report, depending on type of warning in effect: Tornadoes, Wall Clouds, Funnel Clouds, Hail, Wind Damage, Flooding, Water over the road, Extreme Rainfall, Winter Weather.

(Keep a log of time, call sign, location, nature of report. Sign and date the report.)

**WC-ARES WEATHER NET
SCRIPT**

DATE _____ **TIME** _____

Williamson County Emergency Services - Offices of Emergency Management has requested our involvement to assist
